Try Respect Inspire Succeed

16th December 2020

Dear Parents and Carers,

As we draw close to the end of term I wanted to thank you for all your support. You have helped us to keep our children and staff safe by following all our Covid-safe procedures and adapting to all the changes.

Things have been a bit different this year but the staff have worked hard to adapt how we do things to ensure our children's education can continue. The children have been amazing and we are so proud of them-they are a credit to you.

The children have enjoyed their competitions, house points and well done rewards each week and the monthly birthday parties. The final one for this term is this Friday, 18th December, for those children with birthdays in December. We plan to continue these each month next term.

We have made Christmas at school safe and festive in the class bubbles. The children have enjoyed a virtual elf visit and a virtual pantomime and are looking forward to their Christmas dinner and Christmas party. I hope you are enjoying the Christmas performances and key learning experiences that are on Tapestry and please feel free to comment or add any home learning experiences if you wish.

In January, all procedures will remain in place and under current guidance, school will remain open to all pupils. Any further changes in the future will be sent through the app/ on our website/ Facebook page so please check these for information and updates.

We will continue to encourage our children to Try, Respect, Inspire and Succeed- please continue to encourage your child to make good choices and to try their best.

We are hoping to be lucky enough to receive a virtual visit from Father Christmas as we have all been trying our best this year. When I wrote to him last week, the good list was a long one!

Wishing you all a safe, peaceful and a very Happy Christmas and best wishes for the New Year.

Miss Hall
